Specialty Treatments

• • •

Acutonics Anti-Aging Facial: \$75

Stimulates tissue at the cellular level as well as plumping, hydrating, and firming aging skin. Concentrated collagen infusion, tuning fork-enhanced pressure points, manual lymphatic drainage, stimulating percussive massage, red LED light therapy work synergistically for optimal results.

Vitamin C Treatment: \$60

This luxurious, antioxidant-rich treatment visibly improves the contour and texture of the skin. It includes ultrasonic infusion of a specialized ampoule, a vitamin C fleece mask, detoxifying lymphatic drainage, and stimulating facial massage. Ideal for maturing and environmentally damaged skin.

Peeling Treatments

All peeling services are designed to combat signs of aging skin, including fine lines, pigment spots and acne scars. Repeated treatments are recommended for best results. Follow up home care is necessary.

Glycolic 40% Peeling Treatment: \$50

Effective and intensive treatment for counteracting sun damage and leaving skin smooth and refined.

Glycolic Series of 3: \$115

Peeling Treatment: \$55

Intensive peel used to unclog pores, loosen and lift out blackheads, and even out skin tone.

Series of 3: \$130

Body Treatments & Enhancements

The body treatment services that we offer are designed to detoxify, exfoliate, and relieve stress on the skin. Our body treatments include entirely natural ingredients, which in most cases are organic.

The Essential Body Treatment: \$60

Begin with a soothing warm foot bath and then enjoy a gently full-body dry exfoliation followed by an application of fragrant essential oils. Includes MLD treatment and a mini-facial. Choose 1 complimentary essential oil. Additional oils are \$5 ea.

Deep Sea Algae Body Wrap: \$60

This treatment is designed to remove toxins from outside pollution, pesticides and metals. With their minerals, trace elements and amino acids, algae have re-mineralizing, circulatory and oxygen-providing properties. This wrap improves tone and texture of the skin and may assist in combating weight and cellulite problems over a period of time. It includes acupressure point therapy and a warm foot bath with essential oils.

Sugar Scrub Body Treatment: \$60

This hydrating and skin conditioning treatment begins with an aromatic foot soak. Exfoliating organic sugar and a hydrating oil application will leave the skin softened, sweetened, and beautifully fragrant.

No add-ons available with this treatment.

Coconut Lemongrass Salt Scrub: \$65

Indulge and breathe in the tropical aroma of this relaxing body treatment. Warmed coconut oil is blended with aromatic lemongrass essential oil for a truly relaxing experience.

Mini Facial: \$30

Complete your body wrap with the addition of a relaxing shorter version of our European facial. Includes mini-facial massage. *Addition of mini-facial with body wraps only.*
